Alyssa, Thank you so much for the wonderful trip to the Westin. I had a wonderful time. Miss Universe 2008, Dayana Mendoza

Our fundraiser went very well last weekend and I must say one of the biggest highlights was the Costa Rica trip.
Debbie at Salem Art Association

Just want to let you know that we had a great time at VIERS. The staff was great, the food was excellent. The cabins were basic but clean as expected. The location is remote and fantastic for nature oriented folks. We will return to VIERS. Wes Boyce

....it was the most romantic my wife and I have experienced in over 26 years together.

We had bid on the trip at a fundraiser held by an organization with whom I work, Senior Services of Seattle/King County. We were over the deadline to use it and I called and emailed Alyssa Johnson.

Alyssa said, “No problem.”, and set it up for us. We went to Hacienda San Angel in Puerto Vallarta, and were amazed. We aren’t novice travelers, having traveled for many years to many places. When we arrived, we were stunned at the beauty of this place, the incredible attention we were paid by the staff, the food, the music, our room... it was beyond memorable.

I’m a pretty triple type A, and I relaxed as I never have. My wife was constantly smiling and laughing at how I’d sleep late, we’d go for walks to the beachfront town in Puerto Vallarta, ate at fabulous little places that dotted the beachfront, and had the most incredible food and Margaritas at the Hacienda itself.

Alyssa Johnson has earned our undying loyalty and affection. She is an incredible young woman (I’m 65, so everyone is young to me) with a magic touch. Let her help you. You will never be sorry! Spencer Lehmann
Each of our trips must meet a reserve amount unique to each trip and this amount is due after the auction if it sells not before, so there is no cost to your organization to include it in the auction, and no cost if it doesn't sell. Non Profits keep 100% of the highest bid made over the reserve amount. For example, if a package reserve is $1500 the retail value is $3000 and you sell it for $3200, then you keep $1700 and send $1500 to Trips4Fundraising. Our packages do not include airfare. We have several trips can be sold an unlimited number or times.

We ask travelers to provide two-three sets of non holiday dates, and 95% of the time we are able to book their first set of dates. Packages are not associated with time shares and our booking process is simple, requiring an email with exact desired travel dates within the expiration time of the package.

Charities normally make between $400 and $2000 off each package at a well attended event. Payment along with winning bidder contact information is due within 30 days after the event. Organizations can enter as many trips as they feel will receive bids on.

Our team will provide you with first class service along with insight on how to increase the net revenue of your auction. We also handle reservations for your winning bidders following your event.

Once you have confirmed the auction items you wish to offer, you will receive a certificate to give to your winning bidders. You must use the package text details on our promotional flyers exactly how it is written.

You have the liberty to start bidding at any price, knowing that it must sell for at least our reserve for a sale to occur. The day following your event, we need to know by email, what packages sold and to who. Upon receipt of our invoice, payment is due by check to Trips 4 Fundraising 30 days after your event.

Our packages are non-refundable. Please use all text provided by Trips4Fundraising as we assume no responsibility for any changes made to text.

**Book entire travel auction for your fundraising event!**
Increase your fundraising dollars this year and hold a travel auction! We offer entire travel auctions to couple with an existing event. We can provide 2 to 15 trips. Tee Time at the MASTERS!

The PGA Tour might have four Majors, but many would argue that one of them stands above the rest, and that’s the Masters Tournament at Augusta National Golf Club in Georgia. With its iconic green jacket and long and storied history, the Masters truly is a tradition unlike any other, as CBS likes to remind viewers at every chance it gets. But why sit at home and watch it on TV when you can actually be there to see it live and in person?

Our Masters VIP travel package includes everything you need: Masters tickets, area hotel reservations, ground transportation, special events and more. Unlike the other golf majors, the Masters has very tight restrictions on the number of Masters badges that are available. Just imagine how it would feel to be sitting there at “Amen Corner” watching golfing greats like Phil Mickelson and Tiger Woods battle for the most prestigious golf tournament in the world. One of the best things about attending the Masters is that you don’t need to worry about overcrowding. Augusta National places a premium on the fan experience, so they limit Masters ticket sales to a very low number so that the galleries do not get too big.

Access to the Masters Golf Tournament in Augusta Georgia is cherished by many, yet only a privileged few get the opportunity to walk along the pristine fairways & hallowed grounds of the Augusta National.

Race Weekend
Limited supply and based on availability

Forty-three of the top drivers in the world compete in “The Great American Race,” NASCAR's biggest, richest and most prestigious motorsports event.

The Daytona 500 is known as The Great American Race and sometimes it’s called the of NASCAR, but it doesn’t really matter what you call it. It just matters that you are there at Daytona International Speedway to see it, hear it and feel it. There is simply no other experience that matches seeing a NASCAR race in person.

When the Daytona 500 first started back 1959, the winning driver (Lee Petty) earned $19,050 for the win, but when Jamie McMurray won the race in '09 he took home more than $1.5 million.

The prestige, the track, the history — it has to be experienced to be believed, and this year’s Daytona 500 will be no exception.

Orlando Airport Marriott accommodations emerge as a contemporary masterpiece of luxury and modern delights with soundproof windows and premium bedding. A revitalized fitness center features state-of-the-art equipment with an indoor/outdoor swimming pool. Conveniently located among Orlando Airport hotels, we are near Walt Disney World, Universal Studios, SeaWorld and Port Canaveral.

Downton Abbey Package for Two

Package reserve: $4,995   Retail Value: Priceless

3 day Itinerary

Fans of Downton Abbey will have a chance to fully immerse themselves in life above and below stairs. This small group tour will take in all of the main locations featured in the show as well as giving you the chance to experience aspects of Edwardian life in a Downton style setting.

You will get to hear anecdotes about the cast, filming and the production and also step back in time and taste life as an Edwardian aristocrat. Places are strictly limited to 11 per tour.

DAY 1
Depart from central London. The day will start with a guided tour of the location used as the grand interior of Haxby Park, the grand mansion that very nearly became the home of Sir Richard Carlisle and Lady Mary. We then visit Downton Place, another picturesque location that offered an alternative home for the Crawleys for when the money ran out to stay at Downton Abbey. From here we go to Oxfordshire to the beautiful village used as the setting for Downton village and where you’ll see locations such as the hospital, post office, local pub, church and the home of the Crawleys are situated. Dinner will be held at the same restaurant where Lady Edith and Michael Gregson have a romantic dinner date. Accommodations will be in a 4* hotel in London.

DAY 2
The day begins with a guided tour of London film locations that include the Ripon riot scenes; the exteriors of Matthews law firm as well as his ‘Manchester home’; the park where Mary tries to decide whether or not to marry Matthew; Anna’s hunt for Mr Bates’ address and more. You’ll then make your way to an authentic Edwardian train experience on the Blue Bell railway where you can enjoy afternoon tea and a scenic journey on a real steam train. You’ll be travelling along the same line that was used for scenes when Bates first came to Downton and see the station where Mary gives Matthew a lucky charm. Accommodation will be in 4* hotel.

DAY 3
The day will start with a visit to the home of the Dowager Countess, where you’ll be served tea in the ‘Downton room’. Then the grand finale of your 3 day Downton tour is Downton Abbey itself. You will have a chance to take lunch and tour around the house and grounds of Highclere Castle before finally heading back to London.

My husband, two friends and I rented this town home for 8 days. We were all so impressed with everything about his home! From the minute we arrived Milan was there helping us with directions and then introduced us to the home. He was so friendly and kind, he even brought us a huge bouquet of flowers from his garden on the third day! The home was immaculate, well equipped and the absolutely the most perfect location you could ever hope for! On a scale of 1 - 10 it was a 20! The view from all the terrace and living room was without compare. The kitchen was well stocked with utensils and pans to prepare our meals, and all the bedrooms were so comfortable. The walkway at the front door is something out of a painting with cobblestone, narrow walkway and flowers. An huge plus was the private, secure garage located right under us (parking is impossible in most French cities!) I highly recommend this home, it is very spacious and would be very comfortable for up to 8 people. There is very good public transportation to Vence from Nice, but it might be a little difficult without a rental car as it is a small town and you will want to explore the countryside. We had a rental car and drove to Antibes, Cannes, Monaco, Italy and the Alps. Driving in France was easy as it is right sided as in U S, and we became expert at roundabouts!

We spent 2 weeks in this beautiful place overlooking the Mediterranean Sea. The interior, the balcony, the grounds, the location were wonderful. Every morning we awoke to a glorious view of the sparkling Sea. From here we could travel to Nice, Cannes, St. Tropez, Monaco in a fairly short time. On Fridays there is a huge open air market in Ventimiglia, Italy. A train ride, which is located just a few minutes from the Villa, takes you there in about an hour for about 12 euros. The owner was available to us at all times. Just at the bottom of the hill from the Villa there is a wonderful restaurant specializing in Paella as well as a grocery store, patisserie, butcher shop and post office. We would definitely stay there again and would recommend this location to anyone visiting the Nice area.

The Amber Fort-palace was begun by Raja Man Singh and used by the Rajputs as their stronghold until Sawai Jai Singh II moved to the newly created Jaipur. We knew next to nothing about Washington state wines & wineries when we booked this trip. Our guide picked us up from our downtown Seattle hotel & took us on a great trip, visiting five wineries along the way. He was knowledgeable not only about each type of wine the region offers but had stories and recommendations about each winery as well. He really tailored our experience to what we enjoy. If we are ever in this area again we will DEFINITELY do another Bon Vivant tour. Sarah O. from Orlando, May 2014

Schooner Mallory Todd docks at South Lake Union, in the heart of Seattle. A quick 10 minute ride from downtown puts you right at our dock, with plenty of parking in the vicinity.

This half-day charter among the houseboats of Lake Union is an ideal way to celebrate a special event, office party or entertain donors, members or out of town guests.

Starting at South Lake Union in the heart of Seattle, charters usually cruise Lake Union and through the Montlake Cut, while bridges open for our tall masts. Then sail wherever the winds take you on Lake Washington until returning to Seattle's skyline framed by snow covered mountains. On your way, check out the houseboats made famous by Sleepless in Seattle, or bald eagles nesting on the tree-lined shore. An ideal way to enjoy Seattle's evergreen wonderland away from the bustle of city streets.

Recent Testimonials from Our Happy Clients

We have worked with Trips4Fundraising on two separate occasions and have had amazing Hollywood experiences both times! Trips4Fundraising definitely has the connections to deliver a first class Hollywood event. It was a thrill standing next to Brooke Burke and Tom Bergeron as they were talking live on Season 13 of Dancing with the Stars. We had close up views of several celebrities and a great view of the entire stage, standing right above the judges throughout the show. A great insider look at how a premier “live” Hollywood event is produced and televised!

Trips4Fundraising also provided fantastic accommodations for the 2012 Grammys held at the Staple Center in Los Angeles. Our night started off entering the event in the same area as the celebrities, along the Grammys Red Carpet. We ran into Fergie and shook hands with LL Cool J shortly before he took the stage as MC. We watched the entire show from a spacious suite and finished the night being entertained at the official Grammys After-party. It is near impossible to get access to the Grammys and we were there!

Once we secured access to the events through our children’s school fundraiser, working out the booking process with Trips4Fundraising was quite easy. They were very responsive and accommodating. We would definitely work with them again in the future.
-Mike and Chilly

Thanks for all your help Alyssa! We had a great time at the Grammys! It was a great night and we had really nice people in our suite!

I wanted to take a moment to thank each of you in your part for the fantastic honeymoon that we had on Palm Island from Saturday evening, February 11 through Saturday morning, February 18. Almost every day, the weather was perfect! It was so beautiful on Palm Island! We also wanted to personally thank you for the “special upgrade” to Room 47. Our “special Valentine’s Day dinner” at the tree shaped like a heart was fantastic! I wish we could have extended our stay through today which is my birthday, but plane reservations were more important!

We want to thank Alyssa, Randi, and Chanda for helping with the preliminary arrangements for the trip. Thank you for taking the time to explain the process and help with the details! We had a lot of questions because neither of us had ever bid on a trip of such value in our lives. Everything worked perfectly!

We want to thank Rob and his excellent management and serving staff for the ideal place for a honeymoon getaway! We found the staff highly trained and willing to help in any way. They were all very friendly and went out of their way to make your stay memorable. We'll always remember the trip, especially the nature walk with Ping!
Thanks again for a memorable honeymoon vacation in paradise!

Tips to maximize your bidding on Trips4Fundraising Packages

Promote packages ahead of your event on your website, email, newsletter, advertisements, word of mouth and other events.

Make your auction a unique, memorable and fun event. Treat your guests like guests, by providing good customer service, recognition, special touches and inspiration. Entertain them. Surprise them. Wow them. They'll be sure to come back next year — and maybe even bring some new guests along.

Make a special appeal
Everyone at your auction is there to support your cause. Maximize their giving by presenting a specific need that will appeal to the majority of the audience.

Start early and plan well!

Strategize your starting bids and each increment so you maximize your earnings.

Once you reach your high bid, offer the package to everyone else in the room or the other bidders at the sale price and multiply your earnings.

Post Event Process

Make sure winning bidders receive their certificate so they can book their package with us. Our contact details are on the certifiates.

The week following your event, Email us at alyssa@trips4fundraising and let us know which trips sold and to whom.

We will issue you a digital invoice.

Payment for the total amount of the reserves is due by check within 30 days after your event.

We strive to make our process: Simple! Hassle Free! Digital! Streamlined! No fine print to drive you nuts! In most circumstances, winning bidders can exchange their packages or purchase year long extensions.

Good luck with your event!!
